

GCSE results

We aim to prepare pupils to be secure in who they are so that with God's grace they can be all He has created them to be. We are delighted that over many years our students have achieved excellent exam results. Our classes are all very small (the maximum in senior years is 15) and so statistically our percentages vary considerably.

Exam Session	June 2022	June 2023	June 2024
Number of pupils	5	11	11
What percentage of the pupils achieved:			
5 or more GCSE grade 4-9	100%	90%	81%
English and Maths 5-9	100% (national average 49.8%)	60% (national average 45.3%)	72% (national average 45.9%)
What percentage of the total subject all pupils studied were:			
Overall Above target	76%	52%	67%

Where our pupils go after GCSEs

After Year 11, pupils go on to further studies at local sixth forms, colleges and some move onto apprenticeships. Last year our pupils went to various places including Coopers' Company and Coborn School Sixth form, New City College, Frances Bardsley Academy, Trinity Catholic High School, Sacred Heart of Mary Girls School and Becket Keys Sixth form. Our pupils are highly regarded and usually get their first choices for further study.
